

The Home Depot
44226-20th St. W.
Lancaster, CA 93534
August 31, 2009

Dear David and The Home Depot staff,

The California Federation of Dog Clubs is an association of dog clubs and dog owners in California. We are dedicated to promoting animal welfare and responsible animal ownership. Our efforts include emergency assistance for animals displaced during disasters such as fires and earthquakes.

On Sunday, August 30, 2009, our President called upon your store with a request for supplies which you quickly and generously supplied. The five-gallon water buckets were desperately needed to provide drinking water to large animals in the Antelope Valley who were displaced by the fires.

Thank you sincerely, David and The Home Depot, on behalf of the California Federation of Dog Clubs and the animals of California for your humane assistance during this time of crisis. Such caring and concern is deeply appreciated.

Sincerely yours,
Board of Directors
California Federation of Dog Clubs
